**VIKASIT  
BHARAT-2047**

Re-imagining the  
Development Sector  
for Inclusive Growth

On **12<sup>th</sup> & 13<sup>th</sup> September, 2025**

**AT AMRITA VISHWA VIDYAPEETHAM, ETTIMADAI, COIMBATORE**

**Dear friend,**

**A**s India advances toward becoming the world's third-largest economy, envisioning a "Vikasit Bharat 2047" demands a robust and inclusive development sector. This national Conference recognises the vital role that social work and civil society play in addressing the country's diverse socio-economic challenges.

Rooted in India's long-standing tradition of public welfare—from the ideals of "Ram Rajya" to modern rights-based governance—the development sector has evolved through significant milestones: the Societies Registration Act, post-independence planning, people's movements, CSR, and global commitments like the Sustainable Development Goals.

Today, with initiatives such as the Social Stock Exchange (SSE), the sector stands at a pivotal point, facing new opportunities and challenges. To deliberate on leveraging the potential of the social sector, a Confluence of Development Professionals is being organised as part of the 'Utkarsh' series.

The theme of the Confluence is "Vikasit Bharat 2047 – Reimagining the Development Sector for Inclusive Growth". This confluence provides a platform for professionals, academicians, NGOs, and students to reflect, collaborate, and innovate in shaping a just, inclusive, and empowered India by 2047. We invite your active participation in this summit and encourage you to contribute to this confluence of ideas.
